WEST END PORCHFEST

Porchfest is a free music festival held on neighborhood porches. These events are independently organized in more than 100 communities throughout North America.

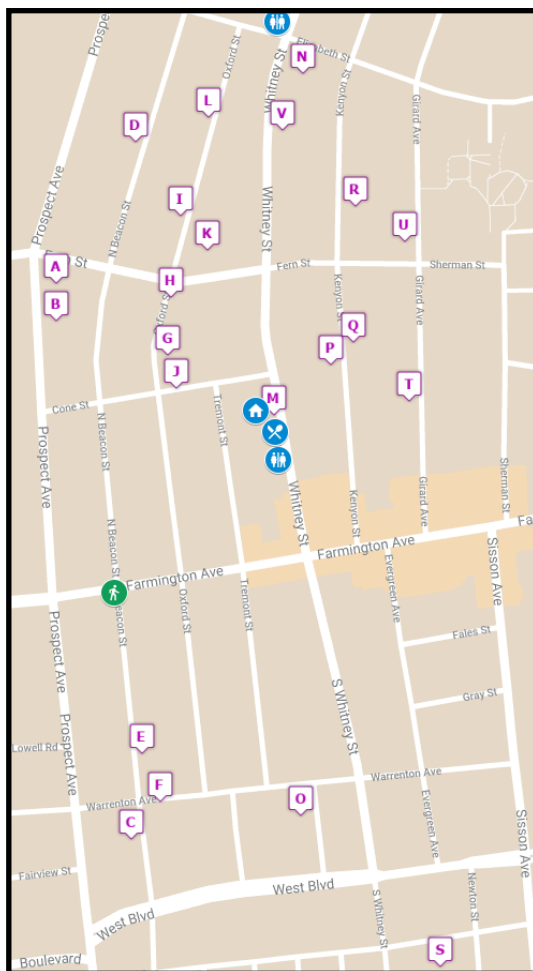

2019 is the inaugural West End Porchfest bringing together talented musicians and community members for an amazing afternoon of performances and celebration.

We invite you to enjoy the music at your own pace. Please watch out for plantings in front of homes and plan to sit or stand on lawns, walkways, and sidewalks. Please avoid standing in the street as traffic is not blocked off during this event.
