# WEST END PORCHFEST

Porchfest is a free music festival held on neighborhood porches. These events are independently organized in more than 100 communities in North America.

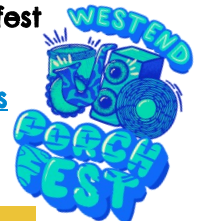

2022 is the third, live West End Porchfest bringing together talented musicians and community members for an amazing afternoon of performances and celebration.

We invite you to enjoy the music at your own pace and be mindful of social distancing. Please watch out for plantings and plan to sit or stand on lawns, walkways and sidewalks. Please avoid standing in the street as traffic is not blocked during this event.
