Porchfest is a free music festival held on neighborhood porches. These events are independently organized in more than 100 communities in North America.

2026 is the seventh, live West End Porchfest bringing together talented musicians and community members for an amazing afternoon of performances and celebration.

We invite you to enjoy the music at your own pace and please watch out for plantings and plan to sit or stand on lawns, walkways and sidewalks. Please avoid standing in the street as traffic is not blocked during this event.
